Create backups and bring your files, photos and movies everywhere with the portable Eminent EM7055 USB 3.0 3.5" SATA Hard Disk Enclosure! Keep your backup and files save and cool with this aluminium case and enjoy high speed data transfers up to 5 Gbps!

Super Speed USB 3.0 support
Stop wasting time, use USB 3.0 to move or copy your files faster than before. The EM7055 has Super Speed USB 3.0 connectivity which enables you to transfer data at a maximum rate up to 5 gigabits per second. The Docking is also provided with a USB 3.0 cable.

Backwards compatible with USB 2.0
No USB 3.0 port on your computer? No problem, you can connect the Eminent EM7055 also to your USB 2.0 ports, with a transfer speed up to 480 mbits per second.

Have your own portable hard disk
Create your own portable hard disk! You can easily mount your own desired hard disk in the external EM7055 enclosure and make backups or bring your files, photos and movies everywhere! You can use almost every size of 3.5" hard disk (up to 2.0 TB hard disks have been tested).

Keep your files cool with this aluminium enclosure
Your hard disk will be kept cool within the EM7055 because of the excellent heat conduction of the aluminium enclosure. The enclosure is suitable for a 3.5" SATA hard disk and comes with a enclosure stand, USB 3.0 cable and power supply.

Plug and Play
You can plug in and access the files on your hard disk directly thanks to the USB 3.0 interface. This makes the EM7055 external enclosure hot swappable on almost every computer! The enclosure is recognized as a Universal Mass Storage device on Windows and Macintosh computers.
